

Summer Party in the Potvis Community Garden

Sunday, July 14, 14.00 – 17.00

Last year in July, we officially opened the Potvis Community Garden. Now, a year later, we are thoroughly enjoying the growth and flowering of the garden. Come and enjoy the garden together with us at the Potvis Garden Summer Party!

- Bring some **food or drink to share** our "culinary specialties" with each other. Bring cutlery, a cup or glass and a plate from home. We will provide coffee and tea.
- If you **play an instrument** and would like to join in for a concert, you are very welcome to bring your instrument!
- If you feel like **playing a game of pétanque** (Jeu de Boules), sign up with your team (2 or 3 people per team). We will provide a nice prize. Of course, just playing a game is also possible if the court is not occupied. Do you prefer **shuffleboard** or a **game of chess**? That is also possible. We will have games for both **adults and children**.
- We will have a picnic bench and other more informal seating areas, but you can also bring your own chair or picnic blanket if you wish.
- There will also be the opportunity to **swap plant seedlings** and put things you want to give away - including books - on the "giveaway table". And another clothes swap will be announced, which you can sign up for on the spot.
- Want to know more about the **development and maintenance of the Potvis Community Garden**? Then contact one of the members of the Garden Group (phone number see below). If there is sufficient interest, we will give a tour in the afternoon.
- **Cross your fingers for good weather!** If the weather is too bad, the party won't go through, unfortunately.

Hope to see you on Sunday, July 14. **Spread the word!**
